SAFETY MESSAGE

Tips for thwarting package thieves

1. Have the package delivered to your office
2. Enlist the help of a neighbor to pick up your packages
3. Opt in for the Postal Services' Informed Delivery Program (This is a free program, USPS will email you scans of your first-class mail each day before it leave their facilities. That way you know what to expect in your mailbox that evening.)
4. Educate yourself about the latest package scams
